

Dear Sir / Ma

Special Invitation to Single, Married & Family Life Xperience 2023 (June 29 - July 1, 2023)

We specially invite you to come to feast with us at the maiden edition of the Single, Married and Family Life Experience (SMFLX). It is a non-denominational meeting hosted by the Lively Meetings platform for all believers in the Body of Christ (and as many who long for a place in it).

In the course of waiting and watching in the Spirit; the witness of prophecies; the saints and scriptures, the Lord has made it clear to us that this meeting should be held at such a time as this. It is a time when the Gates of Hell seek to quench the light of Truth concerning God's definition of man's identity and relationships. To this end, our hearts are full of burden and brimming with expectation along the following areas :

- Raising the banner and the standard of the truth in an increasingly dark and gloomy generation across Singleness, Married Life and Families.
- Downloading prerequisite insights; skills and strength of the knowledge and wisdom of God to combat invisible threats to the prosperity of the purpose and plan of God for creation.
- Receiving direction and guidance on how to navigate different phases, stages, and seasons of life as a single person; a married person; and a member of a family.
- Accessing and discerning prophetic courses playing across the various dimensions of our relationships as Singles, Married and or Family - in order not to miss out on God's ordination
